Logging In To BOS

BOS utilizes the University of Utah's Duo authentication for logging in. To log in, click one of the two 'Log In' buttons, either on the top navigation bar or in the middle of the page. This will attempt to authenticate against the University of Utah's system - so if you already have an active log in, you will automatically be directed to the BOS home page, otherwise, it will redirect you to the DUO login page.

Menu items along the top and side navigation bars along with the link tiles seen on the Home Page will vary depending on your BOS role(s).

BOS Navigation

The BOS System is designed to be easily navigable. There is a **collapsible side menu** along with a **navigation bar** along the top. The side menu, expanded by default, can collapse or expand using the double caret button at the bottom of the menu. *The menu items will vary depending on your role(s).*

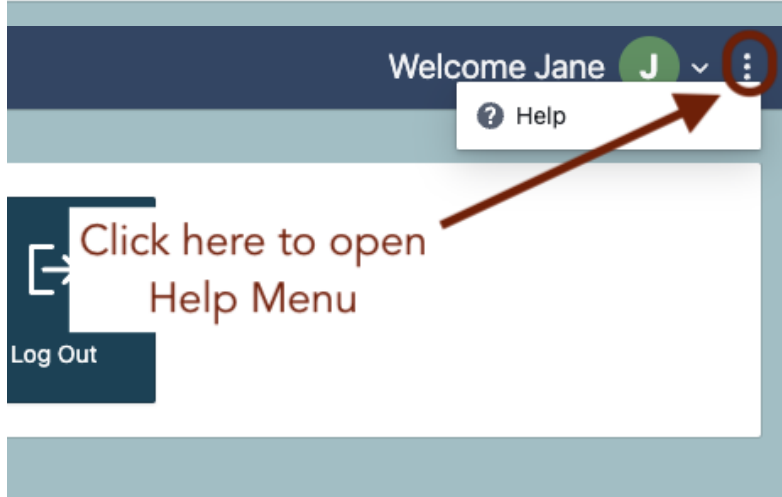

Top Navigation

The top navigation bar includes **Quick links** along the left. *These links will vary depending on your role(s).*

Along the right, the navigation bar has a **User Profile Menu**, and a **Help Menu** (accessed by clicking the 3 dot icon on the far right).

The help menu link will direct you to the **Help Page** which has a link back to this BOS BookStack shelf along with some email links as seen below.
