Line Item Add Form

Description Quantity Rate Commercial Rate

Note: Line item's on existing orders can only have their quantity altered. If a line MUST have it's rate altered please zero out the desired line and add a new Line Item using the "Line Item Add Form"

Adding a Line Item

Line items can be added to any order by using the "Line Item Add Form". This form functions the same as a standard line item form absent the custom data fields. Please note that added line items CANNOT be remove and instead must be zeroed out after adding.
